## PLANT A TREE IN TRIBUTE

TRIBUTE TREES

park.....and to Murrieta.

Throughout the ages, trees have improved our air quality and beautified our neighborhoods.

A living tree is the perfect gift choice.

## PERFECT AS A FAMILY TREE

The planting of a tree can honor the family name and serve as a symbol of a strong, caring family.

Like the tree, the family spreads its roots as it branches out, preparing a strong base for future generations.

**Choose...**a beautiful and healthy tree for planting in a city park or grove through the program.

The name of your honoree will be recognized at the City of Murrieta Community Services Commission.

**Sponsor...**a special tree of your choice. The City will arrange for the planting as well as the tree maintenance.

Tree donations may be tax deductible to the full extent of current law.
